Education:

- 2000-2003 Marine engineer at Martec, Frederikshavn, Denmark.
1992-1996 Apprenticeship as hand moulder at K.B. Hansson's cast iron foundry in Blaere, Denmark

Work experience:

- 2008- Foundry technician at MAN Diesel in Frederikshavn, Denmark
The core shop is my main responsibility area and my primary purpose is to ensure that the cores are of a certain quality in order for the finished cast iron to live up to the customers' demands.
It is also my job to prepare cost reducing initiatives in order to strengthen the company's competitive position .
- 2007-2008 Pattern manager at the cast iron foundry Dania A/S in Aars, Denmark
My duties included purchasing new patterns in close collaboration with the sales department. Repair, maintain and optimize existing pattern equipment as well as management of 6 employees.
- 2004-2007 Manager, night shift, at cast iron foundry Dania A/S.
My job was to educate and motivate employees, hire and fire employees according to the order situation, fault finding on machines and equipment as well as various electrical jobs.
- 2004-2004 Electrician at Danpo poultry factory, Aars, Denmark.
My job was to maintain and optimize production equipment. Installation of new process equipment and general electrical work.
- 1997-2000 Production work at Dania Iron Foundry.
I was primarily working with the moulding machines as furnace man, transport of iron, placing cores etc.
- 1996-1997 Hand moulder at K.B. Hansson's cast iron foundry.
My job was to make the moulds ready.
- 1996 Military duty
